

## **PRESS RELEASE**

### **ECOANALYSTS JOINS INSTRUCTOR TEAM AT 24<sup>TH</sup> CONSERVATION AWARENESS DAY**

FOR IMMEDIATE RELEASE

MOSCOW, ID – EcoAnalysts aquatic biologists shared their expertise with the local community at the 24<sup>th</sup> Annual Latah Soil and Water Conservation District (SWCD) Conservation Awareness Day, May 19<sup>th</sup> and 20<sup>th</sup>.

The event took place at the Spring Valley Reservoir near Troy, Idaho, and featured 22 volunteer instructors from around the Palouse, including staff from the Idaho Dept. of Fish & Game, members of the WSU Raptor Club, and EcoAnalysts taxonomists Charles Ingwell and Brian Krestian.

More than 360 students from local elementary schools attended the two-day event, where instructional sessions covered aquatic macroinvertebrates, fishing, anadromous fish, forestry, outdoor survival, soil and birds of prey.
